

CURRICULUM VITAE

October 1, 2018

NAME: Kenneth Denton CRAIG

CITIZENSHIP: Canadian

PROFESSIONAL RANK: Professor Emeritus
Department of Psychology
University of British Columbia

ADDRESS: Department of Psychology
University of British Columbia
2136 West Mall
Vancouver, B.C.
Canada, V6T 1Z4

Office: (604) 822-3948
Home: (604) 228-9352
FAX: (604) 822-6923
E-mail: kcraig@psych.ubc.ca

Lab website: <http://painlab.psych.ubc.ca/>

EDUCATION:

- Ph.D. 1964, Purdue University
Fellow in Medical Psychology, University of Oregon Medical School, 1962-63
- M.A. 1960, University of British Columbia, Psychology
- B.A. 1958, Sir George Williams College (Concordia University), Liberal Arts

AWARDS AND HONOURS:

- 2015 Appointed Officer of the Order of Canada
- 2015 Honorary Doctor of Laws, Dalhousie University
- 2014 Canadian Psychological Association: Recognition as Founder of the Accreditation Panel in Professional Psychology on the occasion of its 30th anniversary
- 2013-14 Distinguished Scholar in Residence, Peter Wall Institute for Advanced Studies, University of British Columbia
- 2013 Distinguished Lifetime Achievement Award, International Association for the Study of Pain, Special Interest Group on Pain in Childhood
- 2012 Outstanding Pain Mentorship Award, Canadian Pain Society
- 2010 Honorary Member, International Association for the Study of Pain
- 2008 Gold Medal Award for Distinguished Lifetime Contributions to Canadian Psychology, Canadian Psychological Association
- 2004 Canadian Pain Society Distinguished Career Award

- 2003 Distinguished Scholar in Residence, Peter Wall Institute for Advanced Studies, University of British Columbia
- 2002 Canadian Psychological Association Donald O. Hebb Award for Distinguished Contributions to Psychology as a Science
- 2002 American Pain Society, Jeffrey Lawson Award for Advocacy in Children's Pain Relief
- 2000-07 Canadian Institutes of Health Research, Senior Investigator
- 2000 I.W. Killam Prize for Excellence in Teaching, University of British Columbia
- 1996 Canadian Psychological Association Award for Distinguished Contributions to Education and Training
- 1992, 93 The Canada Council I.W. Killam Senior Research Fellow
- 1991 University of British Columbia I.W. Killam Research Prize
- 1991 Canadian Psychological Association Award for Distinguished Contributions to Psychology as a Profession
- 1989-90 Killam Senior Fellow, University of British Columbia
- 1987 British Columbia Psychological Association, Park O. Davidson Award (For outstanding contributions to the knowledge-base of psychology)
- 1977 Canada Council Fellowship
- Fellow: Canadian Psychological Association, American Psychological Association, Society of Behavioral Medicine, Society of Behavioral Medicine Research

EDITORIAL RESPONSIBILITIES

Pain Research and Management,
Editor-in-Chief, 2006-2017
Associate Editor, 1994-2005

Canadian Journal of Behavioural Science
Editor, 1985-1989, Associate Editor, 1974-81, Editorial Board, 1974-81, 1985-1994

PAIN
Associate Editor, 1993-2009

Clinical Journal of Pain,
Special Topic Series Guest Editor, *Detecting Pain Deception and Malingering*, 2004, pp. 377-439..
Editorial Board, 1999-

Pediatric Pain Newsletter
Editorial Board, 1997- 2004

Banff International Behavioral Science Series

Sage Publications, 1988-1999, Editor

RESEARCH/PROFESSIONAL ORGANIZATIONS:

National Research Council, Canadian National Committee for the International Union of Psychological Science, 2005-2012

International Association for the Study of Pain, Governing Council, 2002 – 2008

Canadian Pain Society, President, 1994-1997, Past-President, 1997-2000, Executive Board, 1988-2000, 2006-2012.

Canadian Psychological Association, President, 1986-87, Past-President, 1987-88, Board of Directors, 1982-88, Fellow

Banff International Conferences on Behavioural Science, President, 1994-1997; Treasurer, 1981-1994, Secretary, 1995 – present, Board of Directors, 1981- present

National Research Council, Advisory Committee on Psychology, 1987-1994

CURRENT MAJOR RESEARCH AND TRAINING GRANTS:

- Social Sciences and Humanities Research Council (SSHRC) (2018-2019): Socially marginalized populations: Adapting Pain BC's programs and services to meet community needs. Partnership Engagement Grant. Craig, K.D., Kahnamoui, N., Hanson, J., Hudspith, M., Jordan, S., Darroch, F., Varcoe, C., & Holmes, C.: \$25,000
- Canadian Institutes of Health Research (CIHR-Institute for Musculoskeletal Health and Arthritis): Planning and Dissemination Grant (2017-18): "Establishing a British Columbia Pain Research Network": \$8,500
- Michael Smith Foundation for Health Research (MSFHR) (2018-19): Convening and Collaborating Grant (C2): EQUIP for Pain: Enhancing the capacity of primary health care providers in BC in the provision of equitable health services for people living in pain in marginalized conditions. Co-leads: Craig, KD, Varcoe, C, Jordan, S, Darroch, F, Holmes, C, Hudspith, M, Kahnamoui, N: \$15,000
- UBC Vice-president Research & Innovation Grant for Catalyzing Research Clusters (GCRC) (2017-18): Craig, KD, Cairns, B, and others: A Pain Research Network: Confronting a Global Challenge: \$100,000.
- CIHR: 2016-2021, Chronic Pain Network (Strategy for Patient–Oriented Research (SPOR) Networks in Chronic Disease) Award: \$12,450,000 from CIHR, plus \$12,450,000 partnership matching over 5 years Principal Applicants: N Buckley, M Choinière, K Davis, L Diatchenko, A Finley, P Frèchette, I Gilron, A Iorio, M Hudspith, M Latimer, J MacDermid, P Poulin, C Schneider, B Stevens, J Stinson. Co-Applicants: K Baerg, N Beaudet, J. Busse, K Craig, P. Devereaux, R. El-Gabalawy, L. Gendron, N Ghasemlou, A Gordon, T Hadjistavropoulos, K. Jarvi,

J. Katz, M McGillion, D. Moulin, M Noel, S Prescott, M Salter, B Sessle, M Shamji, G. Singh, K Toupin-April, D Walton, M Ware, J Watt-Watson.

- U.S. National Institutes of Health: 2013-2018, “Development of a new technology for assessing pediatric pain (NTAP)”: Principle Investigators: M.S. Bartlett, K.D. Craig, J.S. Huang, and R. el Kaliouby
- Canadian Institutes of Health Research, Strategic Training Program: 2009-2018, “Pain in Child Health”. Principle Investigators: B. Stevens (Nominated Principal Investigator), P.J. McGrath, K.D. Craig, A.E. Finley, R.E. Grunau, C.J. Johnston, and C. von Baeyer

SELECTED INVITED SCHOLARLY ADDRESSES (Past five years only)

- Invited presentation: CIHR Canadian Pain Summit: Expanding Knowledge via a Canadian Pain Research Agenda: Bio-psychosocial Features. Toronto ON, Sept. 18, 2016.
- Invited symposium participation: Improving Assessment of Clinical Pain using Technology. American Pain Society 34th Annual Scientific Meeting, Palm Springs, CA, USA, May 13-16, 2015.
- Invited symposium participation: Assessment and Management of Pain in Children with Intellectual and Developmental Disabilities. 48th Annual Gatlinburg Conference, New Orleans, Louisiana, USA, April 1-3, 2015.
- Invited topical workshop: When pain empathy fails: Involvement and complicity in violence and torture. World Congress on Pain, Buenos Aires, Argentina, Oct., 2014.
- Invited address: "Pain in children: Past is prologue". On the occasion of the Distinguished Lifetime Achievement Award, International Symposium on Pediatric Pain, Stockholm, Sweden, June 18, 2013.
- Invited address: "Pain assessment in individuals with communication limitations and intellectual disabilities", Conference on "Pain Management in Persons with Cognitive Impairment—an Interprofessional Challenge", Evangelische Hochschule, Dresden, Germany, February 22-23, 2013.
- Invited Workshop: "Emotional aspects of pain". The Swedish Graduate School in Odontological Science and the Sahlgrenska Academy, University of Gothenburg, Sweden, November 20-23, 2012.
- Invited address: "Communicating pain through verbal and body expression". University of Coimbra, Coimbra, Portugal, November 5, 2012.
- Invited address: "Facial Expression as a Source of Pain Empathy". Annual Meeting of the European Academy of Craniomandibular Disorders, Paris, France, Sept. 6 – 8, 2012.
- Invited Symposium: "Assessing the Chronic Pain Patient: The Role of Credibility". Craig talk: "Perceiving Pain in Others: Credibility Issues". World Congress on Pain, Milan, Italy, August 27-31, 2012.
- Invited Symposium: Chair, "Psychological Science Foundations for Clinical Pain Management" and address: "Perceiving Pain in others: A Dual Processing Model". International Congress of Psychology, Capetown, S.A., July 24th, 2012
- Keynote address: "Putting the social back in the biopsychosocial model of pain", International Congress of Psychology, Capetown, S.A., July 24th, 2012
