

Veronica Dudarev
Postdoctoral fellow
Department of Psychology
University of British Columbia
Email: vdudarev@mail.ubc.ca

RESEARCH INTERESTS

- Social cognition
- Cognitive control and executive functions
- High-level unconscious processes and emergence of conscious experience

EDUCATION

2010 – 2018 – PhD, Hebrew University of Jerusalem, Department of Psychology.

Dissertation title: The effect of relational memory on selection for consciousness.

2000 – 2005 – 5-year program resulting in M.A., Moscow State University, Department of Psychology.

ACADEMIC HONORS AND AWARDS

2018 – 2019 – Halbert Centre for Canadian Study postdoctoral fellowship

2018 – 2019 – Hebrew University Postdoctoral Scholarship for outstanding female PhD students

2015 – 2018 – Azrieli Fellowship

2012 – 2016 – the President's scholarship of the Hebrew University of Jerusalem

2011 – 2014 – scholarship from the Ministry of Aliyah and Immigrant Absorption of Israel

PUBLICATIONS IN PEER-REVIEWED JOURNALS

1. **Dudarev, V.**, Hassin, R.R. (2016). Social task switching: On the automatic social engagement of executive functions. *Cognition*, *146*, 223–228.
2. Aviezer, H., Hassin, R. R., Perry, A., **Dudarev, V.**, & Bentin, S. (2012). The right place at the right time: priming facial expressions with emotional face components in developmental visual agnosia. *Neuropsychologia*, *50*(5), 949-57.
3. Aviezer, H., Bentin, S., **Dudareva, V.**, & Hassin, R. R. (2011). Automaticity In contextualized emotion perception. *Emotion*, *11*(6), 1406-1414.
4. Hassin, R. R., Ferguson, M. J., Kardosh, R., Porter, S. C., Carter, T. J., **Dudareva, V.** (2009). Precis of implicit nationalism. *Invited paper in the Annals of the New York academy of sciences*. *1167*, 135-145.

PRESENTATIONS IN SCIENTIFIC MEETINGS

1. **Dudarev, V.**, Shohamy, D., Hassin, R.R. (2016). The effect of relational memory on selection for consciousness (poster). *The Fourth Israeli Conference on Cognitive Research*, Akko, Israel.
2. Kalkstein, D., **Dudarev, V.** (2017). Alone vs. together: Social effects on individual cognition (symposium). *SPSP 2017 Meeting*, San Antonio, USA.
3. **Dudarev, V.**, Hassin, R.R. (2017). Social task-switching: On automatic social engagement of executive functions (oral presentation). *SPSP 2017 Meeting*, San Antonio, USA.
4. **Dudarev, V.**, Shohamy, D., Hassin, R.R. (2016). The effect of relational memory on selection for consciousness (poster). *Time and Space*, Jerusalem, Israel.
5. **Dudarev, V.**, Shohamy, D., Hassin, R.R. (2016). Relational memory and consciousness (poster). *28th APS Annual Convention*, Chicago, USA.
6. **Dudarev, V.**, Hassin, R.R. (2016). Switching all around: incidental activation of executive functions in joint actions (oral presentation). *The 3rd Israeli Conference on Cognitive Research*, Acre, Israel.
7. **Dudarev, V.**, Hassin, R.R. (2015). Blind to what we know too well: The effect of memory on selection for consciousness (poster). *(Un)Consciousness: A Functional Perspective. The Jerusalem Conference on Conscious and Unconscious Processes*, Jerusalem, Israel.
8. **Dudarev, V.**, Hassin, R.R. (2013). – Switching all around: sharing of executive functions (poster). *5th Joint Action Meeting*, Berlin, Germany.
